

# Exciting news...

## Registration is now open!

# NetWorKi♀CLUB.

WISE Acadia is thrilled to announce that registration is now open for the NetWorKiT Online Club!

**Who:** Young women in grades 9 and 10 will be paired with students completing a post-secondary degree based on similar interests.

**What:** NetWorKiT Club intends to provide participants with the opportunity to reflect on and learn about their possible future pathways and how to get there.

Each participant will be paired with a mentor that they will converse with for six-weeks. Mentors will share their valued experience and insight with participants as well as act as a way of increasing participants' networks.

The NetWorKiT Club will also come together weekly online and take part in discussions and activities revolving planning their future pathways and the diversity of career options available!.

**When:** The program will on Wednesday's at 1 PM until 2 PM from July 22nd to August 26th.
